OPTION

STANDARD OUTFITTING PROVISIONS Towbar / Hidden wiring for cabinets - roof - power supply unit / Additional fresh water tank with level reading / Generator installation system / Reverse camera / Turbovent roof-light in the bathroom and the kitchen

(##) Before starting to drive, check that the level of the fresh water tank does not exceed 20 Lt.; (€) With furniture version "Noce Melinga" the table is in white laminate (instead of anthracite); (***) Optional window in washroom; (PTM) TIW stands for Total Increased Weight, or the potential expected increase in weight; (*) The right hand drive version is not available with 115 HP engines, but only with 130, 150 or 180 HP; (*) The Fiat 43 mechanics is only possible with engines 130, 150 or 180 HP; (@) Should a motorcycle rack be installed or the Heavy chassis be downgraded, the number of type-approved seats may vary; (**) With the drop-down bed, the Midi-Heki roof-light will be replaced by a Mini-Heki roof-light; (#) Weight in running order includes: 75 Kg for the driver, fuel and fresh water tanks (20 Lt) at 90% of capacity, gas at 90% and electric cable, basic standard version. Variance is possible within the tolerance levels of the materials and production processes used. The weights and type-approved seats vary according to engine size, model and accessories supplied.
